Dear Member:

On April 5th I sent you a copy of the letter received from FCC Chairman James Lawrence Fly regarding special consideration which the FCC will give to the non-commercial, municipal and educational radio stations with regard to the annual report due April 15 and on subsequent years.

Because of the short time remaining before the 1939 report must be submitted to the Commission, we are suggesting that you file your 1939 report in accordance with these present rules and regulations. Perhaps we can get the form simplified for future years and I have no doubt that we can.

Hope to see you in Columbus the last of this month.

Cordially yours,

Frank E. Schooley
